## RACE NOTES

Friday: Qualifying was uneventful

**Saturday:** Heats 1A & 1B were run in increasingly windy conditions, with Heats 2A & 2B eventually rescheduled for Sunday **Sunday:** Heats 2A & 2B were run in perfect conditions beginning at 8:30 AM, then the remainder of the heats went off at their scheduled times. Predicted high winds did not materialize.

The weekend produced five different heat winners, with the final heat being determined by a DMZ violation ( one of four during the weekend) on the 96 of Jean Theoret, who had won the heat on the water. Jimmy Shane took his second consecutive Gold Cup victory.
