

COMPETITION DIRECTIVE 2025 – 02

This 2025-02 Competition Directive was initiated by the H1 Board of Directors and submitted by Chief Referee Jonathan Abbott clarifying the procedure used in a Round Robin format where there are six entries but only five heats. This was necessary due to the schedule that was already established by Guntersville Hydrofest for five heats, and to accommodate the Miss Madison entry making a six boat field.

This Competition Directive will be reviewed during the offseason by the Rules and Competition Committee and H1 Board of Directors as to whether it should be added to the affected rule listed below.

Rule affected:
